STUDENT QUESTIONNAIRE GRADE 8

TIMSS-R Videotape Study
James Stigler – Study Director
LessonLab, Inc.
12436 Santa Monica Blvd.
Los Angeles, CA 90025

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information is OMB 1850-0751, which expires November 16, 2001. The time required to complete this information collection is estimated to average 12 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collected. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to U.S. Department of Education, Washington, D.C. 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: National Center for Education Statistics, 555 New Jersey Avenue, N.W., Washington, D.C. 20208.

STUDENT QUESTIONNAIRE GRADE 8

Thank you for participating in this study. Both the videotape and the questionnaire will be used only for research purposes, unless you have signed an agreement that states otherwise. All persons with access to this information will be licensed to protect your privacy.

Thank you for your careful attention to this questionnaire. We appreciate the time you are taking to help us better understand mathematics teaching.
